

ENABLING QUALITY IMPROVEMENT IN PRACTICE

## Tower Hamlets

### LATEST NEWS 07/05/2018

Bonsoir Tower Hamlets!

Today is my turn to be the lucky one to send the EQUIP comms email and I promise, it will be short and straight forward.

Many of you have been asking for more QI Training and we've actually spent some time thinking about how to best to deliver this for the second time factoring-in your feedback.

In a nutshell : better-faster-stronger!

#### **EQUIP Basics (1/2 day training)**

- What's grinding your gears? What would you like to fix to bring the joy back to your working day? Well bring it along to EQUIP Basics
- You will learn the essential ingredients of Quality Improvement (QI), from theory to testing changes in practice
- Essential for teams and individuals who want to get started on their QI journey, or who need a refresh of their skills
- An action-packed afternoon of learning. Based on real-life primary care examples of improvement, led by local experts in Q
- **Who can register?** Anybody from tower hamlets, we welcome everyone and please encourage local citizen/service users to join !
- **How to sign up?**

### EQUIP in Action (3 days action learning set)

- Want more? Want to drill down deeper into the heart of QI ? Want to start your own QI project but don't know where to start ? Well bring it along to EQUIP in Action and be ready to roll up your sleeves!
- You will get a deeper understanding of QI, get familiar many other concepts and tools that teams can use throughout the project's lifecycle
- This is a 3 days action learning set to help you move on with your QI projects. You will get support from the QI training team over the period
- It will be based on real-life primary care examples of improvement, led by local experts in QI
- **Who can register?** *To enrol on this course you will need some basics QI knowledge, if you don't, please make sure you're booked on EQUIP basics as well! To complete the course you will need to attend all 3 days.*
- **How to sign up?**

<b>Wed 11th July 2018</b>	<b>9:00 – 17:00</b>	If you would like to register please email <a href="mailto:lynne.smith52@nhs.net">lynne.smith52@nhs.net</a> or <a href="mailto:clemence.cohen@nhs.net">clemence.cohen@nhs.net</a> and confirm you can attend all three dates.
<b>Wed 12th Sept 2018</b>	(Lunch around 13:00)	
<b>Wed 3rd Oct 2018</b>		

### Data masterclasses (1 full day workshop)

- Can't get your head around your project's data ? Want to learn more ? Join us for a hands-on data workshop!
- Very practical solution oriented workshop (based on your projects). You'll learn how to use your data effectively and to examine changes in the data you collect
- Tip for selecting measures, specifying operational definitions, building data collection plan and displaying data
- **Who can register?** *To enrol on this course you will need some basics QI knowledge and a QI project to work on*
- **How to sign up?**

<b>Tuesday 11nd Sept 2018</b>	<b>9:00 – 17:00</b>  (Lunch around 13:00)	If you would like to register please email <a href="mailto:lynne.smith52@nhs.net">lynne.smith52@nhs.net</a> or <a href="mailto:clemence.cohen@nhs.net">clemence.cohen@nhs.net</a> .
